Delivery

Delivery shall be on an as needed basis, and shall be delivered within five working days from the date of order. Lafourche Parish Sheriff's Office will make emergency purchases that shall be delivered on site within an 8 hour period. Vendor is responsible for making timely deliveries in accordance with bid proposal delivery terms.

Failure to deliver as promised including shorted deliveries will be considered a default by the vendor and may cause cancellation of the contract. Lafourche Parish Sheriff's Office reserves the right to purchase any or all products covered by the contract on the open market and to charge the contractor with the cost in excess of the contract price. Until such assessed charges have been paid, no subsequent bid from the defaulting contractor will be considered.

Vendor shall promptly notify Lafourche Parish Sheriff's Office Purchasing Department of any unforeseen delays beyond its control.

PRICE STRUCTURE

- A. If, during the contract term, the vendor is unable or unwilling to meet contractual requirements in whole or in part based on the price structure of the contract, it **shall** immediately notify the LPSO Procurement Department in writing. The notification shall specify the contractual requirements which cannot be met and the offending price. Such notification **shall not** relieve the vendor of its responsibilities under the contract. LPSO may, but is not required to, consider an equitable adjustment in the contract terms and/or pricing.
- B. If LPSO, in its sole discretion, determines during the contract term that (i) the contract price structure is unworkable, detrimental, or injurious to the utility, or (ii) the contract price structure results in prices which are unreasonable, excessive, or not truly reflective of current market conditions, and no adjustment in the contract terms and/or pricing is mutually agreeable, LPSO may terminate the contract upon not less than five days' written notice to the vendor. The effective date of termination **shall** be as specified in the written notification.

PRICE REVIEW

- A. Periodically throughout the term of the contract, LPSO has the right to conduct market research, review pricing indexes, and use other resources to review and verify contract pricing, vendor requested increases, and vendor provided information.
- B. If a price increase is requested by the vendor, LPSO will consider the request, provided the vendor can supply ample justification and market-based evidence to support the requested price increase. LPSO **shall** have the right to require additional documentation and evidence from the vendor pertaining to the requested increase, and the vendor **must** comply with any LPSO request.
- C. Increases solely to increase profit or margins **shall not** be considered.
- D. LPSO, at its sole discretion, has the right to approve or deny the request based on LPSO's verification and has the right to negotiate with vendor on the requested increase. Vendor may include in their documentation evidence of price impacts on any component of contract delivery including but not limited to materials, transportation, labor, unforeseen statutory or regulatory mandates, or other impacts. Inclusion by the vendor DOES NOT guarantee an approved price adjustment. Approval in part or in total will be at LPSO's sole discretion.
- E. In the event a price change is authorized by LPSO, said prices **must** remain firm for a period of not less than three (3) months.
- F. In the event of a price decrease, LPSO **shall** be guaranteed full benefit of the price reduction for all orders on the effective date of the decrease and thereafter.

OTHER CONTRACT REQUIREMENTS

- A. In addition to pricing, extreme market conditions may adversely impact other aspects of contract performance. LPSO will consider vendor documentation relating to delivery times and schedules, labor shortages, substitute products that meet the "equal to or better standard," and other non-price related terms and conditions.
- B. ANY REQUEST for non-price contractual accommodations will be subject to the same rigor as outlined in the *Price Review* section. The vendor **shall** have an affirmative and proactive responsibility to address this issue in advance of the performance issue or immediately upon discovery. Any vendor who does not raise and document these issues consistent with the requirements above AND receive written LRWRA approval for any changes to contract performance expectations, **shall** be held accountable to the original terms of the contract. Approval of these contract terms **shall** be at the sole discretion of LRWRA.

FORCE MAJEURE

- A. A force majeure occurrence is an event or effect that cannot be reasonably anticipated or controlled and is not due to the negligence or willful misconduct of the affected party.
- B. Unless otherwise agreed in the contract between the parties expressly or impliedly, where a party to a contract fails to perform one or more of its contractual duties, the consequences set out in this clause will follow if and to the extent that the party proves: (a) that its failure to perform was caused by an impediment beyond its reasonable control; (b) that it could not reasonably have been expected to have taken the occurrence of the impediment into account at the time of the signing of the contract; and (c) that it could not reasonably have avoided or overcome the effects of the impediment.
- C. A party invoking this clause **shall** be presumed to have established the conditions described in the preceding paragraph in the case of the occurrence including, but not limited to, one or more of the following impediments or other similar causes beyond the control of the vendor or LPSO in the performance of the contract where non-performance, by exercise of reasonable diligence, cannot be prevented:
- acts of God or natural disaster such as but not limited to violent storm, cyclone, typhoon, hurricane, tornado, blizzard, earthquake, volcanic activity, landslide, tidal wave, tsunami, flood, damage or destruction by lightning, drought;
 - acts of war (whether declared or not), armed conflict or the serious threat of the same (including but not limited to hostile attack, blockade, military embargo), hostilities, invasion, act of a foreign enemy, extensive military mobilization;
 - civil war, riot, rebellion, revolution, military or usurped power, insurrection, civil commotion or disorder, mob violence, act of civil disobedience;
 - acts of public enemies, acts of terrorism, sabotage or piracy;
 - **plague, epidemic, pandemic, outbreaks of infectious disease or any other public health crisis, including quarantine or other employee restrictions;**
 - act of authority whether lawful or unlawful, compliance with any law or governmental order, rule, regulation or direction, curfew restriction, expropriation, compulsory acquisition, seizure of works, requisition, nationalization;
 - explosion, fire, destruction of machines, equipment, factories and of any kind of installation, prolonged break-down of transport, telecommunication or electric current;

- general labor disturbance such as but not limited to boycott, strike and lock-out, go-slow, occupation of factories and premises;
 - shortage or inability to obtain critical material or supplies to the extent not subject to the reasonable control of the subject Party.
- D. The affected party **shall** provide the other party with written notice of any force majeure occurrence as soon as the delay is known and provide the other party with a written contingency plan to address the force majeure occurrence, including, but not limited to, specificity on quantities of materials, tooling, people, and other resources that will need to be redirected to another facility and the process of redirecting them. Furthermore, the affected party **shall** use its commercially reasonable efforts to resume proper performance within an appropriate period of time. Notwithstanding the foregoing, if the force majeure condition continues beyond 30 days, the parties to the contract **shall** jointly decide on an appropriate course of action that will permit fulfillment of the parties' objectives under the contract.
- E. The vendor agrees that in the event of a delay or failure of performance by the vendor under the contract due to a force majeure occurrence:
1. LPSO may purchase products from other sources (without recourse to and by the vendor for the costs and expenses thereof) to replace all or part of the products which are the subject of the delay, which purchases may be deducted from the contract quantities without penalty or liability to LPSO, or
 2. The vendor will provide LPSO and other governmental entities using this contract ("Authorized Users") with access to products first in order to fulfill orders placed before the force majeure event occurred.
- F. Neither the vendor nor LPSO **shall** be liable to the other for any delay in or failure of performance under the contract due to a force majeure occurrence. Any such delay in or failure of performance **shall not** constitute default or give rise to any liability for damages. The existence of such causes of such delay or failure **shall** extend the period for performance to such extent as determined by the vendor and LPSO to be necessary to enable complete performance by the contracted vendor if reasonable diligence is exercised after the cause of delay or failure has been removed.
- G. Notwithstanding the above, at the discretion of LPSO where the delay or failure will significantly impair the value of the contract to LPSO or to Authorized Users, LPSO may terminate the contract or the portion thereof which is subject to delays, and thereby discharge any unexecuted portion of the contract or the relative part thereof.
- H. In addition, LPSO reserves the right, in its sole discretion, to make an equitable adjustment in the contract terms and/or pricing should extreme and unforeseen volatility in the marketplace affect pricing or the availability of supply. "Extreme and unforeseen volatility in the marketplace" is defined as market circumstances which meet the following criteria: (i) the volatility is due to causes outside the control of vendor; (ii) the volatility affects the marketplace or industry, not just the particular contract source of supply; (iii) the effect on pricing or availability of supply is substantial; and (iv) the volatility so affects vendor's performance that continued performance of the contract would result in a substantial loss to the vendor. In the event of a dispute between the vendor and LPSO, such dispute **shall** be resolved in Thibodaux, LA; provided, however, that nothing in this clause **shall** excuse the vendor from performing in accordance with the contract as changed. Equitable adjustment may include adjustments financially or in any terms of contract performance at LPSO's sole discretion.

- I. Vendor **shall not** be entitled to an adjustment in contract price or other non-price related items caused by or within the control of vendor. Delay, disruption, and interference attributable to and within the control of a subcontractor or supplier shall be deemed to be within the control of vendor.

A. MINIMUM SCOPE AND LIMITS OF INSURANCE

1. Workers Compensation

Workers Compensation insurance shall be in compliance with the Workers Compensation law of the State of the Contractor's headquarters. Employers Liability is included with a minimum limit of \$1,000,000 per accident/per disease/per employee. If work is to be performed over water and involves maritime exposure, applicable LHWCA, Jones Act, or other maritime law coverage shall be included. A.M. Best's insurance company rating requirement may be waived for workers compensation coverage only.

2. Commercial General Liability

Commercial General Liability insurance, including Personal and Advertising Injury Liability and Products and Completed Operations, shall have a minimum limit per occurrence of \$1,000,000 and a minimum general annual aggregate of \$2,000,000. The Insurance Services Office (ISO) Commercial General Liability occurrence coverage form CG 00 01 (current form approved for use in Louisiana), or equivalent, is to be used in the policy. Claims-made form is unacceptable.

3. Automobile Liability

Automobile Liability Insurance shall have a minimum combined single limit per accident of \$1,000,000. ISO form number CA 00 01 (current form approved for use in Louisiana), or equivalent, is to be used in the policy. This insurance shall include third-party bodily injury and property damage liability for owned, hired and non-owned automobiles.

Umbrella or Excess Coverage

Umbrella or Excess Coverage may be purchased to reach the required limits.

Deductibles

No insurance required shall include a deductible greater than \$10,000.00. The cost of the deductible is borne by the contractor.

B. OTHER INSURANCE PROVISIONS

The policies are to contain, or be endorsed to contain, the following provisions:

1. Commercial General Liability and Automobile Liability Coverages

a. The Agency, its officers, agents, employees and volunteers shall be named as an additional insured as regards negligence by the contractor. ISO Forms CG 20 10 (for ongoing work) AND CG 20 37 (for completed work) (current forms approved for use in Louisiana), or equivalents, are to be used when applicable. The coverage shall contain no special limitations on the scope of protection afforded to the Agency.

b. The Contractor's insurance shall be primary as respects the Agency, its officers, agents, employees and volunteers for any and all losses that occur under the contract. Any insurance or self-insurance maintained by the Agency shall be excess and non-contributory of the Contractor's insurance.

3. All Coverages

- a. All policies must be endorsed to require 30 days written notice of cancellation to the Agency. Ten-day written notice of cancellation is acceptable for non-payment of premium. Notifications shall comply with the standard cancellation provisions in the Contractor's policy. In addition, Contractor is required to notify Agency of policy cancellations or reductions in limits.
- b. The acceptance of the completed work, payment, failure of the Agency to require proof of compliance, or Agency's acceptance of a non-compliant certificate of insurance shall not release the Contractor from the obligations of the insurance requirements or indemnification agreement.
- c. The insurance companies issuing the policies shall have no recourse against the Agency for payment of premiums or for assessments under any form of the policies.
- d. Any failure of the Contractor to comply with reporting provisions of the policy shall not affect coverage provided to the Agency, its officers, agents, employees and volunteers.

Insurance shall be placed with insurers with an A.M. Best's rating of **A-:VI or higher**. This rating requirement may be waived for workers compensation coverage only.
2. If at any time an insurer issuing any such policy does not meet the minimum A.M. Best rating, the Contractor shall obtain a policy with an insurer that meets the A.M. Best rating and shall submit another Certificate of Insurance within 30 days.

D. VERIFICATION OF COVERAGE

1. Contractor shall furnish the Agency with Certificates of Insurance reflecting proof of required coverage. The Certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The Certificates are to be received and approved by the Agency before work commences and upon any contract renewal or insurance policy renewal thereafter.
2. The Certificate Holder Shall be listed as follows:

4. Upon failure of the Contractor to furnish, deliver and maintain required insurance, this contract, at the election of the Agency, may be suspended, discontinued or terminated. Failure of the Contractor to purchase and/or maintain any required insurance shall not relieve the Contractor from any liability or indemnification under the contract.

Attachment B

PRICE ADJUSTMENT CLAUSE

STATEMENT OF ISSUE: The commodity(s) or services represented in the attached Invitation to Bid may be considered volatile price item(s) which may show drastic swings in price and availability from wholesalers to the retailers during the contract period. In consideration, the Sheriff's Office is including this price adjustment clause in the Invitation to Bid to encourage adequate competition and fair pricing on the (estimated) indefinite quantity requirement and to discourage padding or hedging prices.

The Sheriff Office's price adjustment criteria are as follows:

VENDOR shall agree that submitted pricing **will be held firm for the first three (3) months of the contract term**. A price escalation or reduction may be requested by the VENDOR or the Sheriff's Office, to the price of all items. The Sheriff's Office may, in its sole discretion, accept an equitable adjustment in the Contract terms or pricing if pricing or availability of supply is affected by extreme and unforeseen volatility in the marketplace, that is, by circumstances that satisfy all the following criteria: (1) the volatility is due to causes wholly beyond the VENDOR's control, (2) the volatility affects the marketplace or industry, not just the particular Contract source of supply, (3) the effect on pricing or availability of supply is substantial, (4) the volatility so affects the VENDOR that continued performance of the Contract would result in a substantial loss and (5) No price adjustment will be approved to compensate a vendor for inefficiency or for errors or omissions in judgment or for additional profit.

Requests from the VENDOR for price adjustments shall be RECEIVED IN WRITING (via email or fax) and are subject to Sheriff's Office approval and executed contract amendment before becoming effective. Failure to reach agreement for a price adjustment may, at the sole option of the Sheriff's Office, result in the termination of the Agreement for cause.

Official VERIFIABLE documentation of such changes SHALL be provided with the request for price adjustment in order to substantiate any requested change. The Sheriff's Office reserves the right to consider various pertinent information sources to evaluate price increase requests (such as the CPI and PPI, US CITY Average, as published by the US Department of Labor, Bureau of Labor Statistics). The Sheriff's Office also reserves the right to consider other information related to special economic and/or industry circumstances, when evaluating a price change request. Changes may be either increases or decreases, and may be requested by either party.

As an authorized representative of the company listed below I fully understand, accept and agree to abide by the procedures denoted in this price adjustment clause.
